

Rental Policies

Rental Payments

All rentals are paid in advance unless you have an established account or different arrangements have been made prior to your rental period. We accept payment in the form of checks approved by Runyon Equipment Rental and the following credit cards:

Identification

We require a valid Indiana driver's license and a major credit card that matches the license as a second form of identification.

EPP (Equipment Protection Plan)

Every rental contract has an additional 10% EPP charge added to protect you against accidental damage to rented equipment. It does not cover theft or abuse. In order to not take the EPP you must have a certificate of insurance on file naming Runyon Equipment Rental Company LLC. as an additional insured.

Standard Rental Rates

Standard Rental Rates are based on time out, not time used.

Minimum Rate - Varies from 4 hours to 1 day depending on equipment

Day Rate – 1 day / 24 consecutive hour

Week Rate - 7 consecutive days /168 hours

Monthly Rate - 4 consecutive weeks (28 days) / 672 hours

Note: All Standard rental rates on metered equipment are based not to exceed 8 hours of use per 24-hour day, 40 hours of use per week or 160 hours of use per 4-week period. Check with store for details.

Fuel

It is important for the customer to be aware of the equipment's fuel type at time of rental. Some rental equipment runs on gasoline while others use diesel fuel. Also, some types of equipment require Def. All equipment requiring fuel and Def will be full at the time of rental. You will be charged for refueling the equipment if it is not returned full of fuel and Def.

Delivery

Don't be a tool – Rent one

Delivery and pickups are available at reasonable rates. Please call for a delivery charge to your specific location. Deliveries and pickups must be scheduled in advance; however, we will make every effort to accommodate deliveries with short notice. If you prefer, you may pick up and return rental items from our Carmel location.

Trailer & Towing

Trailer towing capacities are restricted according to the size of the vehicle and hitch towing the trailer. Vehicle and hitch towing trailers must be sized properly. If you are not comfortable towing a trailer, we have delivery available.

Equipment Operation

If you have questions about the proper and safe operation of any rental item that comes to mind, please call us. Our rental team will be glad to answer your questions and help resolve any issues. You are responsible for the rental equipment until it is checked back in at the store.
